A VISUAL COMMUNICATION **AGENCY**

ABOUT US

Who we are

Enigma Global is a modern full service Visual Communications Agency with head offices in Cyprus and partners in many regions of the world, such as in Saudi Arabia, Russia, China, Greece, Africa and mores. Founded in 2000, we have managed to create a name that is synonymous to advertising, communication and marketing innovation. We have reached new markets and expanded our operations internationally without losing Enigma Global fundamental values and our signature approach to client projects.

As a client, you will benefit from working with a creative project team that will provide expert insights in the interest markets. In addition we will develop custom fit visual communications solutions for you. But we are not only a solutions provider; our team experts will work with you, to bring your ideas and projects to completion and our after sales, customer service team will handle the rest.

Enigma Global brings Projects to life.
