Integrate your message

CREATIVE ADVERTISING SOLUTIONS TAILOR-MADE FOR YOUR BRAND

Native advertising and sponsored content provide a unique opportunity to tell your company's story in a way that mirrors the look and feel of WIZZ magazine. Rather than placing an advert beside a story, you become the story.

Whether you're seeking to deliver the message about a single product, raise awareness about your company with a lengthy campaign, or create a jaw-dropping and bespoke editorial magazine of your own, our award-winning creative team can work with you to tell your story in the best possible way.

We can create Q&A interviews with a personal touch, a travel feature that feels fresh and engaging, an expert column, special inserts (gatefold section, pull-out insert or mini magazine) and more.

Digital solutions

REACH WIZZ AIR'S PASSENGERS AT EVERY STEP OF THEIR JOURNEY

Our targeted digital advertising solutions can be targeted by country of origin, flight destination, specific routes or nationalities.

Boarding passes

The second most important travel document after your passport! Passengers check-in and print their boarding passes at home before they head to the airport. Ad banners are viewed by passengers online on their computer screens via a click-through banner, and once they've printed the boarding pass with the advert, it's carried by passengers right up until they arrive at their destination. The boarding pass can also be used also as a discount voucher and can contain a unique QR code.

Digital banners

on booking confirmation emails

Confirmation emails are sent to all passengers instantly once the online booking process on wizzair.com is completed. Emails feature details of the flight - itinerary plus digital click-through ad banners, and reach passengers at crucial pre-flight stage when they are still planning their trip.

The collage features several key digital marketing elements:

- Flight Confirmation Page:** Shows a flight confirmation code (OBZ2NJ) and a table of passenger information.
- Boarding Pass:** A detailed boarding pass for Wizz Air, including flight details, passenger information, and a QR code.
- Travel Banners:** Includes a "WELCOME TO SALZBURG" banner with a 20% discount and a "SHARE NOW" banner for a car rental.
